ATTORNEY PEPPER ATTACKS

IBy Associated Press. 1

NEW YORK, April 2.—Winners gained their places in the semi-finals of the singles and doubles of the national indoor tennis championship at the Seventh Regiment Armory today. The match of sensational interest was that in which William T. Tilden, IL. defeated Lieutenant S. Howard Voshell, the champion. Voshell for a time outplayed his rival, chiefly on his service. The score was 4-6, 8-6, 13-11. In the doubles Tilden and Vincent Richards, the national title-holders, easily defeated Voshell and Craig Biddle. The rallies were fast, and the beaten pair was unsteady.

SOLDIER GETS LIFE TERM

President Commutes Sentence of Death of Man Found Gullty of Murder.

(By Associated Press.)

WASHINGTON. April 2.—Approval by President Wilson of the life imprisonment sentence imposed upon Corporal James C. Skiles. Three Hundred and Twenty-first Machine-Gun Battalion. Eighty-second Division, who was convicted of having killed Sergeant George Onken, at Trondes. France, August 10, 1918, was announced today by the War Department.

The court-martial sentenced Skiles to be hanged, but General Pershing, while declaring the evidence showed the accused to be guilty as charged, said the case was not such as justified the extreme penalty, and recommended the sentence to be commuted to life imprisonment. (By Associated Press.)

DISCUSS SIBERIAN SITUATION

American Troops Did Not Aid Japs Because of Doubt as to As-sallants' Identity.

LONDON, April 2.—Questioned in the House of Commons today as to why the American troops did not co-operate with the Japanese in the fighting at Blagovestchensk. Sibaria. Winston Churchill, the Minister of War, replied that the American commander had said that the force which was attacking the Japanese might prove to be one of insurrectionary Russian peasants who were mistaken for Bolsevists. peasants who were interactions shevists.

Mr. Churchill added that there was no doubt that the force which attacked the Japanese was a powerful and well armed Bolshevist band.

Panama Ratifies New Trenty.

[By Associated Press.]

WASHINGTON, April 2.—Ratification by Panama of the commercial travelers treaty with the United States was announced today by the State Department. The treaty, one of many initiated by the international high commission, is designed to facilitate move.

ment of American commercial travelers in the South American countries. Uruguay already has ratified such a treaty, and action is now awaited by the other Southern republics.

BON AIR CALLS RICHMOND FIREMEN TO ITS HELP

Old Hotel Cottage Gutted by Flames of an Unascertained Origin.

Chief Joynes, of the Fire Department, received a call for help from Bon Air yesterday at noon when flames appeared to be getting out of control in a fire at the old hotel cottage at Bon Air.

No water was available to light the flames, and an automobile loaded with experienced fire fighters was sent from Richmond. They soon had the flames under control.

Richmond. They soon had the flames under control.

The interior of the building was said to have been completely ruined by the fire, which originated from some unknown cause.

James H. Crenshaw, of Richmond, owned the property, and it was occupied by D. L. Johnson, agent of the Southern Railway.

AMERICAN AND BRITISH CRAFT TO PATROL COURSE

More Than Hundred Destroyers Will Be on Duty on Route of Overseas Flight.

WASHINGTON, April 2.—British destroyers will co-operate with the American navy in patrolling the course to be followed by American naval scaplanes in the projected flight across the Atlantic Ocean next month. It was learned today at the Navy Department that from forty to fifty British ships would be on duty from the Azores to the British Isles, where, under present plans, the flight will end.

American destroyers will patrol the course from St. Johns to Azores. From fifty to sixty of the craft will be used, and they will be stationed at intervals of less than 200 miles.
